

U.S. District Court  
Eastern District of Texas  
Marshall, Division

TO THE HONORABLE JUDGE OF SAID COURT:

MORE Definite Statement

December 17, 2020 I Dominic Desmond Miller  
Filed a Prisoners Rights Civil Suit alleging that  
on or about November 17-19 2019 the Jefferson  
Jimplecute ran a story accusing me of sexually  
assaulting, and kidnapping a female acquaintance  
of mine at the time. I was never arrested nor was  
an investigation performed. There was no rape kit,  
and most of all there was no rape. I have copies of  
the newspaper as well as (Sierra Harris) on recording  
denying the rape allegations. My family, kids, and  
other associates read this, and believed it to be true  
which caused extreme distress to my life.

Respectfully,  
*Dominic D. Miller*
